Building External and Internal Networks for Benchmarking

Stages:

1. Identifying Best Practice institutions and individual key actors
2. Making contact – arranging (two-way) visits and Exchanges of Experience involving internal players/teams
3. Appointing individual Ambassadors and forming strategic alliance with partner institutions
4. Capitalising on partnerships/benchmarking through:
   a. Training
   b. Leading discussions
   c. Giving Public Lectures
   d. Providing Institutional Support
